Employee : 170(+), SpaceSpace : 53 000 square feetfeet, ISO 9001 : 2008 Certificated

Nissho Electronics Co., Ltd. was founded in 1987. Since, we have become one of the top electronic manufacturing companies in Taiwan. We provide a full range of electronic product assemblies and function testing. We also have the ability to procure electronic components.

In 2008, we started expanding our business range by setting up a new branch - Reii Co., Ltd., which offers various electronic product OEM oversea services.

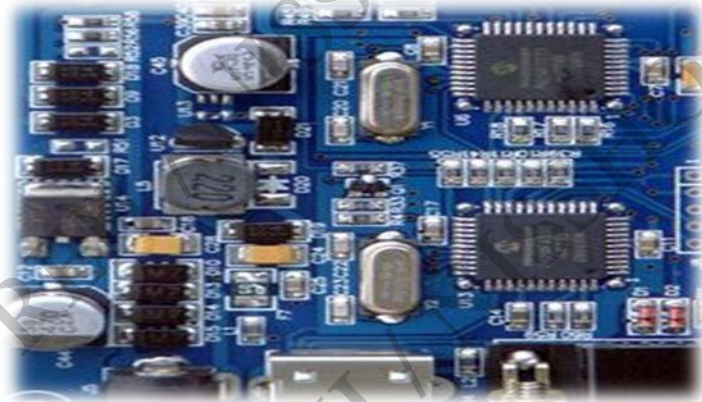

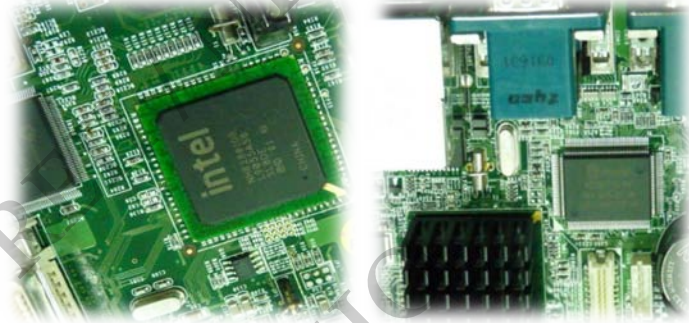

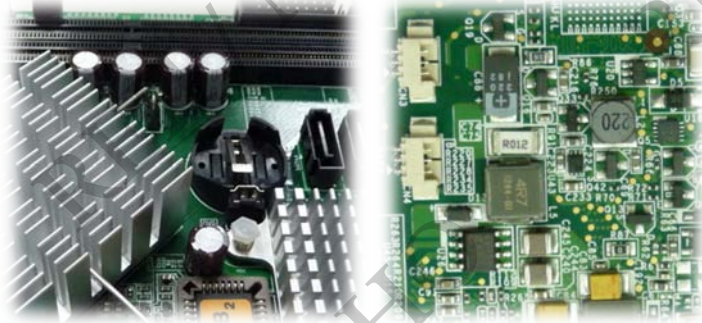

In 2010, we set up our new business services for terminals. We provide quality terminals for automobile, motorcycle, electronics, and connectors, all items are from our designs and manufacturing.

In 2011, We also provide custom OEM cable assemblies and wire harnesses, we have a full line of Cable Assembly product such as USB Cable, SATA Cable, Lan Cable and FFC Cable etc. from simple processed wire to complete harnesses consisting of many leads and connectors. We focus on customers services and satisfaction by providing top quality products with competitive pricing and fast turnaround.
